Introduction

Verbatim is renowned for data storage technology of supreme quality and reliability. Today we have brought that trusted technology to life in an exciting range of accessories for your digital lifestyle. From gaming mice to speakers, batteries to card readers, every Verbatim product is made with the same high-level of attention that has been the hallmark of our 40 year history.

Verbatim - Technology you can trust.

Gaming Mice

Expert gamers have demands from a mouse, and we deliver! With gaming getting ever more realistic and challenging you need a controller that can keep up. With the Rapier range - two high performance, high specification gaming mice and a precision gaming pad - you can achieve pinpoint accuracy of up to 3200dpi resolution and tracking speeds of up to 65 inches per second. Just the tools you need to give your gaming a real edge!

Rapier V1 Laser Gaming Mouse

Part Number	49051
Resolution	800 - 3200 selectable dpi
Acceleration	20G
Tracking Speed	65ips (inches per second)
Frame Rate	7800fps (frames per second)
Buttons	7 programmable
Dimensions	118 x 74 x 44 (LxWxH mm)

Rapier V2 Laser Gaming Mouse

Part Number	49050
Resolution	800 - 3200 selectable dpi
Acceleration	20G
Tracking Speed	40ips (inches per second)
Frame Rate	9600fps (frames per second)
Buttons	8 buttons - 7 programmable
Dimensions	120 x 74 x 42 (LxWxH mm)

Rapier Precision Mouse Pad

Part Number	49800
Dimensions	320 x 272 x 0.5 (LxWxD mm)
Supports	Laser & Optical Mice

Mice / Mouse Pads

Make computer work a joy with our range of high-quality travel, laptop and desktop mice. Choose between the smooth cursor control and strong on-screen precision of our high definition optical technology or the outstanding performance and sensitivity of our laser mice. You can also customise your mouse by selecting a sensitivity setting that best suits your needs and by using programmable buttons to create up to 48 shortcuts. And avoid cord clutter with our *Bluetooth*[®], wireless and rechargeable options.

Jack	3.5mm	3.5 mm

Gaming Headsets

Gaming Headsets are all about great sound quality, clarity and comfort, and Verbatim offers all of these in abundance. Closed leatherette ear cushions cut external sound and delivers supreme comfort together with the adjustable headband. The microphone features advanced noise cancellation capabilities ideal for frenzied in-game correspondence, and the in-line volume control and microphone mute lets you easily dip in and out of the action. The built-in vibration of the Rapier Headset helps gamers live the action while its VOIP capabilities allow for voice chat and on-line conferencing. The external audio controller of the 5.1 Channel Headset amplifies each individual speaker providing total control for front, side, rear, and subwoofer to customize your immersion.

Rapier USB Gaming Headset with Vibration

Part Number	47621

Supports	MS Duo, MS Pro Duo

Batteries

To ensure your gadgets are always powered, Verbatim's reliable and long lasting alkaline batteries provide up to four times more power than zinc carbon batteries. They have a higher density and use a thinner "can" to maximize the space for active components to increase output power.

Rechargeable

Look after your wallet and the planet with our premium Rechargeable Batteries that can recharge more than 1000 times. Ideal for energy hungry electronics devices such as powerful toys and computing devices. Combined with our compact AA/AAA Battery Charger, you can be back up and running within no time.

Monochrome Laser Toner

Precisely matched to OEM printer specifications, Verbatim's Monochrome all-in-one Laser Toner Cartridges and Toner Kits provide a high toner density resulting in clean, solid print images every time.

A laser toner cartridge is a complex unit consisting of over 70 separate components. Through the world leading expertise in organic photo-conductor (OPC) and toner technology of its parent company Mitsubishi Chemical, Verbatim can offer a range of toner products that guarantee perfect print results while providing a lower cost per printed page.

OEM brands supported

Hewlett Packard

Brother

Canon

Lexmark & IBM

Panasonic

Kyocera

Ricoh

Oki

Samsung

Please go to www.verbatim-europe.com for details on the specific printer models supported.

Colour Laser Toner

Verbatim offers a comprehensive line of premium colour laser cartridges designed for use in personal, workgroup and department printers. Perfectly matched to the printer manufacturers' specifications, Verbatim's cartridges utilise true polymerized (chemical) toner, delivering reliable and vivid colour reproduction every time.

The cartridges can be used alone or in conjunction with OEM colour cartridges to help reduce costs per printed page while maintaining printing quality of the highest standards.

OEM brands supported

Hewlett Packard - Colour

OKI - Colour

QMS - Colour

Minolta - Colour
